

Drawable

```
classDiagram
    Drawable <|-- Weapon
    Weapon <|-- Revolver
```

A UML class diagram illustrating inheritance. At the top is the 'Drawable' class. Below it is the 'Weapon' class, with an upward-pointing arrow indicating that 'Weapon' inherits from 'Drawable'. At the bottom is the 'Revolver' class, with an upward-pointing arrow indicating that 'Revolver' inherits from 'Weapon'.

Weapon

Revolver
